

Dear Community Partners,

September is Recovery Awareness Month along with Suicide Awareness and Prevention Month. No one should feel alone or without information, support, and the help they need. Walton Empower RCO, Ridgeview Institute Monroe, and Grace Monroe Church are partnering together to provide connections, resources, and hope to our community. We know that recovery from addiction or mental health doesn't just end with us. Successful Recovery happens because of community support and organizations like yours. Still, many do not know where their resources are.

Please come and join our First Annual Community Block Party on Saturday, September 11th from 2 pm-6 pm on the ground of Grace Monroe Church 203 Bold Springs Ave. Monroe, GA 30655.

Bring your resources, information, and support. We are looking to have food trucks, games, therapy horses, touch a truck for the kids (PD, EMS, Fire departments).

All proceeds and donations collected will help Walton Empowers provide the support and services needed in our community.
